WORK EXPERIENCE

Design and Partnership Lab, Irvine, CA — Research Assistant
September 2022 - Present
- Created Figma prototypes for game
- Worked cooperatively and productively with team members to develop several iterations of game characters, levels, and design
- Attended Design Sprints to gain insight and advice from experts on how to improve our app design
- Analyzed user data to develop game/app that fulfill their needs

Happy Lemon, City of Industry, CA — Barista / Store Associate
November 2020 - February 2022
- Prepared food, beverages, boba, and semi-products quickly and efficiently
- Worked cooperatively and productively with team members
- Provided customers with friendly service and took orders in POS system
- Maintained a clean working environment in accordance to health and food code regulations

LEADERSHIP

Robotics — Lead Programmer and Co-Captain
August 2017 - May 2020
- Managed our team's project development
- Programmed robots to move with driver-control and autonomously
- Organized outreach events in our community to promote robotics
- Mentored younger members to take over programming and management
